Return of the MAGA. Her bravery is an example to us all. This time, Antifa gets their asses kicked in.

There is no way in hell antifa or blm organizes the same time. I just cant see it. They are dumb, but are they that dumb? Maybe if they believe they have complete police protection from a mob of 1 million + pissed off patriots. But even then there will be no standing room and nowhere to hide or regroup. Cockroaches scurry and hide when exposed to light and seek like-company.

They will. It's not dumb.

They will organize with a joint purpose to distract our people from getting to the capital building. Literally in their handbook.

We all must continue to the capital building without delay. Don't fall for their bullshit. Don't stop for cops.

Like a wave washing over sand.

This. If we let them corral us where they want us, all it does is show them how powerful they are. If we at our strongest cannot even stand up to them, how will it be when they come after us individually?

We must be an unyielding force.

Even if the perimeter has to hold back the Attackers (whoever they are), the core funnel has to keep moving toward the capital.

Also Maps will help show if the Roadblocks are strategically placed to either corral the crowd or impede access to the capital

Thank you and can I throw an added suggestion:

In fact, have small numbers of people purposely and temporarily stop for the cops and keep them *very very busy* before another wave distracts the cops with questions and complaints.

The Leftists have long since figured that out and yes the police know they are doing that on purpose but there it is. A small handful of people can keep a large group of police very busy while 1 million others just wash on by.

MAGA Upvotes: Leaving behind stragglers to get shitkicked has easily been our biggest ongoing failure and at this point they absolutely plan for it, they know it, they get their 'Gimme' beatings on Patriots and even plan how to blow their heads off.

I've wondered when someone would bait them with a small group or some stragglers while a larger group waits to lay the mother of all shitkickings on the hyenas.

Seriously, i can believe i haven't seen that yet. It's irresistible to these AntifaBLM types too because they just cannot resist ganging up and cruelly torturing a weak or lone Patriot. Even if they KNOW it must be a trap they can't stop themselves, like junkies to drugs.

I thought of this before. Get an older guy or a younger guy with his girlfriend to straggle a bit, you know they'll come out like rats. And then 50 guys are waiting in the alley.

Here's something these people don't understand. God is who conservatives fear, not them. But even that becomes nullified when pushed to the edge. In every video I've seen of anqueefa getting beat up, it's always another conservative coming to their rescue. But this doesn't wholly come from some charity. In truth, those conservatives are saving themselves from what they may become. Eventually, however, that fear of regret becomes overshadowed by the fear of *what will* become..... If a cornered rat can draw blood, what the more a lion?

Also and overseas Pedo here. The good news is we have a local shitbird who's been making commie videos and smirking away as he calls patriots 'racists' and shits on Trump and the USA.

He's in for a brutal surprise very soon and at least I can say I did my small part. I strongly suspect he won't be making Anti-USA videos after his surprise.

If you happen to have to sink anything in the water make sure you cut a large T in the middle to let the air out so it doesn't float back up. Of course I am talking about Minecraft. Those pesky creepers just want to ruin what you built.

Are there accompanying events occurring at states capitols? Some of us really can't make it to DC but it's a big day and we want to do something.

If you can go to your capital, why can't you join a caravan and go to DC for 2 days? Can't you get a family member to watch your kids and call in sick (it's not lying if you avoid mentioning you are politically sick of what's happening) Make the sacrifice for Trump! Look what he has sacrificed for us??

Not True. I know what it is to be under water. I have been couple times in my own life. If that is really your situation, than it may be better for you to stay at home and get all your family to pray together several times each day for our cause in DC. The city capital protests are fine, but thats not what Trump asked us to do. He asked us to go to DC on the 6th! But- Especially if you have any health struggles, please stay safe. Prayer is the most powerful weapon that exists. Please offer that for the cause. Dont put your health or finances at risk. Trump would never want that.

Doesnt matter what you get on camera, if they want to put away white supremacists they will do so.
